The President's Challenge

Nativity Parish School has once again registered to participate in the President's Student Service Challenge. The President's Challenge is an opportunity for school and organization to recognize young people for their outstanding service to the community. Any student who performs 50 or more hours of service will be recognized for their efforts with a pin bearing the Presidential Seal and a letter of recognition from the President.

Grade-Level Service Hour Goals

We have also set age-appropriate service hour goals for students to achieve even if they are not participating in the President's Challenge. Each student who achieves their goal will receive special recognition at the end of the school year. The service goals for each grade are as follows:

Grade Level Service Hour Goals

Kindergarten & 1st grade: 5 hours

2nd grade: 10 hours

3rd & 4th grade: 15 hours

5th & 6th grade: 25 hours

7th & 8th grade: 35 hours

Keeping Track of Service Hours

Students wishing to earn a service award will need to log and track their own service hours from April 1, 2016 to March 31, 2017 in the Student Service Log. This log is provided to students who fill out and turn in the attached "Intention to Participate" form to the school office. On April 1st, 2017, those students who qualify for service recognition will be asked to turn in their service log with a form that certifies their total hours.
